3 Bed Detached House With Land

£369,950

Dan y Coed, Cwmdud Carmarthen, SA33 6XA

A character and very well presented 3 bed detached house with just over 1.5 acres of land predominantly of gardens and woodland with a beautiful little river running through situated on the edge of the little village of Cwmdud, itself located about a 10/15 minute drive into the larger market town of Newcastle Emlyn which has shops and a Secondary School. In the house there is a large lounge with woodburner, a modern kitchen / diner with conservatory to the rear overlooking the superb gardens, on the first floor there are three double bedrooms and a family bathroom. Outside there is off street for several cars together with an attached garage. The gardens and woodland on this property are a joy to behold with lawned areas, pretty little bridges over the river, stepped walkways up into the woodland with views over the valley below from the top. This is a cracking character home which has been very well looked after by its current owners and provides lots of outside space to sit and enjoy the natural world.
