Exterior

Externally - The property is approached via a private gated driveway which leads from the roadway to the bungalow. As you approach, there is plenty of parking for several vehicles beside the property and a fenced garden area which surrounds the bungalow and provides plenty of space to extend (stc). To the side of the property is a stable block (measuring approx. 3.87m x 16.37m) of 5 well-kept stables which open up to a fenced handstanding area to the front. There is also a workshop (measuring approx. 5.28m x 3.87m) adjoining the stables.

The Land - The land is 'L' shaped and amounts to just over 4 acres which is split into 2 main enclosures and is generally flat / gently sloping pastureland. There is also a separate gated entrance off the roadway. **DEVELOPMENT POTENTIAL**

Although there is no planning for residential development on the site as yet, as some of the land falls within the village boundary of Bwlchygroes there could be future potential to develop some of the land (subject to any consents required) adjacent to the Council roadway leading up to the crossroads (see Land Plan attached).

Japanese Knotweed - Please note: On our visit to Fairlight, we noted the presence of Japanese Knotweed on the land. Our clients have advised us that this is being treated.
